Introduction

Dear friends,

From eternity's perspective, what will our conversations look like? Will it one day tell of the investments we've made? Milestones we've reached? Or will our stories tell of the people we've impacted and the testimonies we get to be a part of from today?

There is a cause and mission - much bigger than ourselves that is waiting for every one of us. God has entrusted His sons and daughters to take their place and establish His Kingdom here on Earth.

Kingdom partnership is this: linking our hands together as one body of Christ, using our unique callings and giftings to see the name of Jesus glorified. There are some who are called to sow, some are called to reap. But in Heaven's perspective, both the sower and reaper shall rejoice together, all for God's glory.

We cannot go to the nations sharing the love of God without the generosity of the people who have sown into our ministry and want to thank you for partnering with us.

We thank you, we love you and pray you see the joy of your reward in eternity!

“And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!” Romans 10:15

Sowing *and* Reaping

SHARING IN THIS JOY TOGETHER

Whoever sows sparingly will also reap sparingly, and whoever sows bountifully will also reap bountifully. Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to make all grace abound to you, so that having all sufficiency in all things at all times, you may abound in every good work.

2 Corinthians 9:6-8

eternity's reward

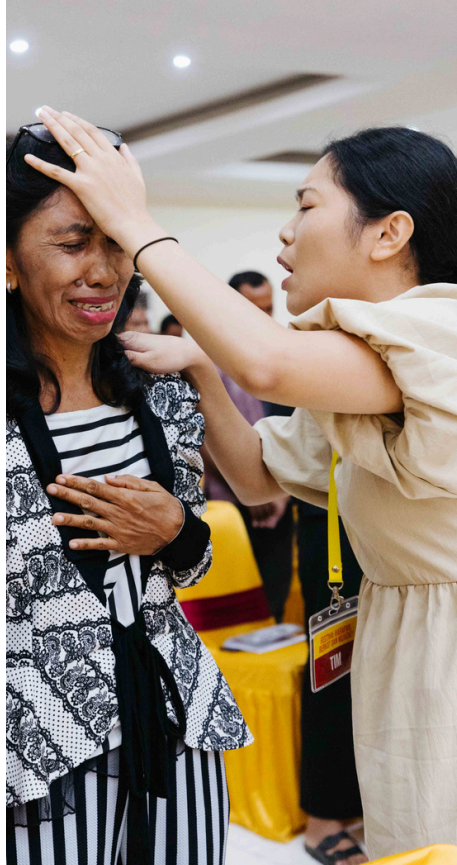

The bible speaks of a Kingdom Principle of sowing and reaping. Sowing into the Kingdom of God leads to reaping an eternal reward, far greater than any earthly treasure that can be destroyed.

We know that as we **go** and preach the Gospel to the nations - eternity's reward is not our own, but is joyfully shared with those who have faithfully sown into us so we can be **sent**.

Already the one who reaps is receiving wages and gathering fruit for eternal life, so that sower and reaper may rejoice together.

John 4:36

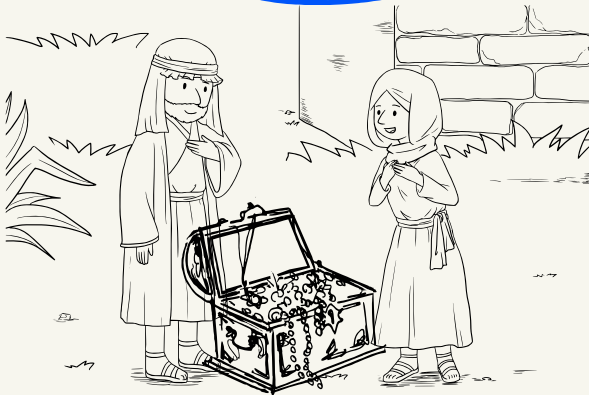

Sowing *and* Reaping

SHARING IN THIS JOY TOGETHER

David and his men pursued the Amalekites who had just attacked Ziklag. The pursuit consisted of 600 men - but some grew tired and stayed by the brook. The remaining men continued to advance and eventually defeated the Amalekites, recovering everything the enemy had stolen. Most of David's army assumed the reward was theirs alone, yet it was in this moment David proclaimed that both men who went out in battle, and men who stayed shall equally share in the reward.

The share of those who went into battle and the share of those who stayed with the supplies will be divided equally. 1 Samuel 30:24

This analogy reveals one of the mysteries behind what partnership in the Kingdom of Heaven looks like. Both the people who go out in the field and those who stay and faithfully support shall receive the reward equally.
